

Top Ten Reasons To Use Campus Catering

1. **YOUR CAMPUS PARTNER/INVESTING IN OURSELVES** – Buying on campus means more funding for a wide variety of campus, programs, services and infrastructure.
2. **A VARIETY OF DELICIOUS CHOICES** – We have literally hundreds of mouthwatering choices! There is something for any size group ... formal or informal ... self serve or attended service. Most locations also offer vegetarian and healthy options and our Pura Vida Coffee location also offers Fair Trade and Organic coffees.
3. **AWARD WINNING CATERING** – Foundation Dining Services has won a number of national awards for innovation in foodservice, including vegetarian recipes.
4. **EASY TO ORDER** – Our website makes it easy to view catering options online. You can also call or fax in your order.
5. **“A” HEALTH DEPARTMENT RATING** – All our dining units consistently receive an “A” grade from the Los Angeles County Health Department. Most of our catering staff has completed and is certified in a national food safety course, so rest assured that the food being served at your event is fresh, wholesome and kept at a safe serving temperature right up to the moment you receive it.
6. **JOBS ON CAMPUS** – Utilizing on campus catering means more jobs on campus for Cal Poly Pomona students. The Foundation is the single largest employer of Cal Poly Pomona Students.
7. **CONVENIENCE** – We have convenient locations right here on campus near your office. Our friendly, attentive staff will work with you to customize your catering to your specific needs. Dietary restrictions? No problem ... let us know and we can help.
8. **SAVES YOU TIME** – We know your time is valuable! Whether it is company time or your personal time, why waste it to go off campus? We can even deliver!
9. **PRICES ARE BENCHMARKED** – We regularly compare our offerings to what is available in the surrounding community to ensure we offer you the greatest value.
10. **SUPPORTING THE PRESIDENT’S CLIMATE COMMITMENT** - By not driving off campus to purchase/pick up catering you will save on mileage costs, and conserve gas and energy while reducing your carbon footprint. We also have a comprehensive recycling program that helps divert waste including aluminum, plastic, glass, paper, cardboard and cooking oil for new uses; in many circumstances biodegradable/compostable containers and service ware are available upon request.
